11 GRANTVILLE ROAD, NORFOLK, CT 06058 (860)542-5772

From Bridgeport: Travel North on Route 8 to Winsted. At the end of the highway, set the trip odometer to 0. Turn right (West) onto Route 44 towards Norfolk.

Stay on Route 44 and proceed through Winsted Center. Pass the intersections of Route 263 and 183. Route 44 begins to climb, and changes to a 3 lane highway. The road soon returns to 2 lanes and goes down hill.

At the foot of the hill, turn left onto Danbury Quarter Road (after the second state "road junction" sign, and immediately after crossing the small cement "Mill Brook" bridge) at 3.8 miles after the Route 8 /44 junction. (Note: This turn is immediately before the first house on the left, and the first building since leaving Winsted. If you've passed any buildings, you've gone too far!)

Proceed straight on Danbury Quarter Road (in Winsted), which becomes Grantville Road (in Norfolk). DO NOT turn left onto the other Grantville Road at 6.2 miles after leaving Route 8.

Pass "Maplewood Farm" and a pond very close to the road on the right. The entrance to Iwatka, number 11 Grantville Road, Norfolk, is on the right immediately after the "stop ahead" sign. It is marked with a white sign, "11, Iwatka". It is a total of 7.6 miles from the Route 8 / 44 junction.

From Hartford: Travel West on Route 44 to Winsted. Continue as above.
