Support your girl and Girl Scouts throughout our Connecticut neighborhoods by making a gift to our **Family Giving** program.

Just look at your girl.

You will see that Girl Scouts has made a difference in her – and in her Girl Scout friends.

Our programs foster important values such as citizenship, responsibility, and friendship.

These precious ideals need your support.

We encourage you to be as generous as you can. **It's an investment that lasts a lifetime.**

Thanks for your generosity and support!

Every dollar earned at this event goes to support all that Girl Scouts of Connecticut do for our girls.

Please return this portion with your payment of \$12.00 payable to GS of CT Ansantawae Service Unit by **Monday March 7th to Kathi Bepko, 86 Hickory Ave, Milford CT 06460**

**Family Partnership Donation envelopes will be available at the event for your girl to receive a patch.**
