

Stamford Service Unit presents the

Festival of Nations

Family Fundraising Event

Get a sampling of culture by visiting countries from around the world right here in Stamford.

Girls Scout Troops will proudly present what they have learned about their chosen country.

Stop by booths throughout the event and sample some of that nation's food, traditions, holidays and customs.

All attendees get a passport which they can have stamped as they visit booths throughout the day.

You won't want to miss your favorite Scouts dressed in their country's traditional costume.

Support your girl and Girl Scouts throughout our Connecticut neighborhoods by making a gift to our Family Giving program.

Just look at your girl. You will see that Girl Scouts has made a difference in her – and in her Girl Scout friends.

Our programs foster important values such as citizenship, responsibility, and friendship. **These precious ideals need your support.**

We encourage you to be as generous as you can. It's an investment that lasts a lifetime.
Thank you!
